

High-end Android Touch POS Solution

● POS

● Retail

● Hospitality

● Industrial

Product highlight

- Compact design with high wear-resistant frosted materials and fingerprint-proof process.
- ARM Cortex-A53 octa core solution comes with Android 6.0.1 OS.
- Modular design is convenient for assembly and maintenance.
- Built-in 80mm thermal receipt printer with auto cutter.
- 11.6 inch customer display optional.

Specifications

Item		Specifications
CPU	ARM	ARM Cortex A53 64bit, Octa Core
OS	Supporting System	Android 6.0.1 version
Appearance	Color	Black / White
Main	Memory	DDR3 1GB/2GB
	Hard Disk	4GB/8GB flash
Primary Display	LCD	11.6" full flat LCD display
	Resolution	1366 * 768 Pixel
	Touch Panel	Multi-point projective capacitive touch panel
I/O Interfaces	Serial	1 * RS232
	USB	2 * USB 2.0
	OTG	1 * Micro USB 2.0
	LAN	1 * RJ45 (10/100M)
	Cash Drawer	1 * RJ11
	Audio	1 * Internal Speaker
Built-in functions	Printer	80mm thermal printer with auto cutter
	Bluetooth	Bluetooth 4.0
	Wifi	Support 802.11 a/b/g/n wireless protocol
Power	DC-IN	Input AC 100~240V / 50~60hz, Output DC 12V
	Customer Display	11.6" customer display
Environment	Operating	0°C~40°C at 20%~80% humidity
	Storage	-20°C~60°C at 20%~85% humidity
Product Reliability	Certifications	CE, FCC, RoHS
