

NESO PRO

Slim and Compact Industrial Mini PC

(J1900/J4105)

(I3/I5/I7)

FEATURES

- Fanless POS cooling construction.
- Slim and compact enclosure design.
- Dual monitor output with HDMI and VGA.
- Optional wall-mount kit for compact space accommodation.

The Jassway Neso Pro is a high value fanless PC designed pos box PC that is designed with high flexibility and scalability. The rich I/O interface make the POS system easily work with various peripherals. It is perfect for the retail, kiosk, and restaurant industries application.

► **Compact and Flexible**

The small footprint and VESA mounting points of the Neso Pro Series allow easy installation in anywhere you need a Point-of-Service system.

► **Fanless Technology**

Fanless design boasts anti-dust and silent operation advantages to meet the requirements of harsh and quiet environments, respectively.

► **Expandable and Configurable**

Connect to a series of POS peripherals and options for greater productivity and flexibility to fit in your store environment.
