PONTUS
Professional POS System

The Jassway Pontus POS System Series with a new Simply &
Ultra Slim Design for today's retail and hospitality environments.
An handy optional customer display, and a refined base that meets the
most complex needs of the modern and essential design. An innovative
technology that reduces the amount of the space needed and in the mean
time improves the efficiency of the cash point, by optimizing the timing
related to work and sales, and therefore of the shopping experience too.
