

21.5 inch Self-Ordering Kiosks

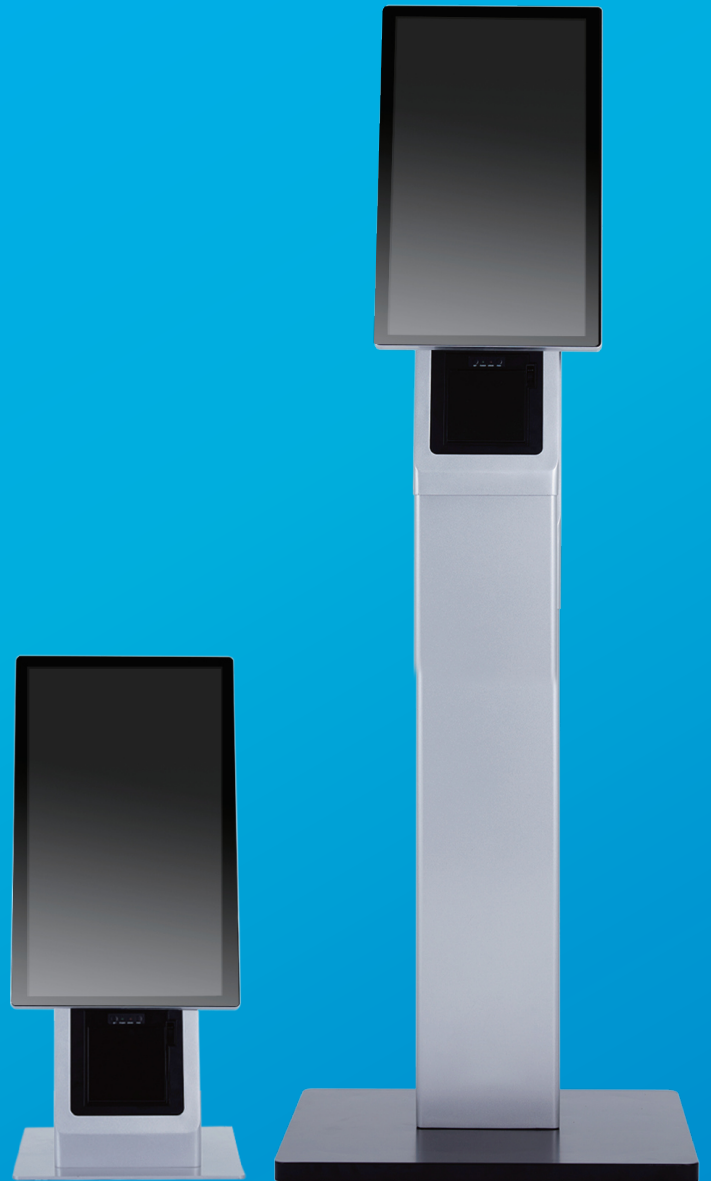

# MEGAERA

## Impressive Visual Experience & Multipurpose

21.5 inch FHD wide viewing angle display, Megaera Series adapts to changing business needs as well as consumers' demands. It serves as product display & advertising, ordering & payment, click & collect, ticketing & e-reservations and whatever business scenarios you wish.

## More accessories options

Equipped with a wide array of choices of peripherals including 2D scanner, camera and a bracket for EMV payment devices and offering two choices of counter-top or floor-standing. The Megaera Series is able to fulfill with all kinds of self-service tasks.

## MEGAERA SELF-SERVICE KIOSK

The Megaera is the new all-in-one POS terminal. It packs innovativeness and functionality in compact design with stylish look, which is ideal for retail businesses where space is at premium.
